

OMNIX GOVERNANCE SERVICES AGREEMENT

Standard Client Agreement · Confidential

Provider: OMNIX Quantum (operated by Harold Nunes)

Client: [Client Legal Name]

Effective Date: [DATE]

1. SERVICES

OMNIX Quantum provides a decision governance evaluation layer (the "Service"). The Service evaluates signals submitted by the Client through a multi-checkpoint pipeline and returns a cryptographically signed governance receipt for each evaluation. OMNIX does not approve, authorize, or validate decisions. It provides a governance evaluation only. OMNIX does not execute decisions, transactions, or actions on behalf of the Client.

2. NO WARRANTY

The Service is provided "as is" and "as available," without warranties of any kind, express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, or uninterrupted availability.

3. NO ADVISORY — CLIENT RESPONSIBILITY

The Service does not constitute financial, legal, operational, or investment advice. All decisions executed by the Client remain the sole responsibility of the Client. OMNIX evaluates signals — it does not direct, recommend, or authorize any action.

4. DATA RESPONSIBILITY

The Client is solely responsible for the data submitted to the Service and confirms it has the legal right to use such data. OMNIX shall not be liable for any issues arising from the content, accuracy, or legality of data provided by the Client.

5. LIMITATION OF LIABILITY

OMNIX shall not be liable for any losses, damages, missed opportunities, or claims arising from decisions made or actions taken by the Client, whether or not those decisions were evaluated through the Service. In no event shall OMNIX's total liability exceed the fees paid by the Client in the three (3) months preceding the claim.

6. INDEPENDENCE FROM THIRD PARTIES

OMNIX is an independent system and is not responsible for the actions, outputs, or failures of any third party, including channel partners or intermediaries through which the Client accessed the Service.

7. SERVICE AVAILABILITY

OMNIX operates on a best-effort basis. Enterprise plans include a 99.9% uptime SLA. Advisory plans do not carry an uptime guarantee. OMNIX shall not be liable for damages resulting from service interruptions.

8. FORCE MAJEURE

OMNIX shall not be liable for delays or failures in performance caused by events beyond its reasonable control, including but not limited to natural disasters, cyberattacks, infrastructure failures, or regulatory actions.

9. INTELLECTUAL PROPERTY

All technology, algorithms, methodologies, and systems comprising OMNIX remain the exclusive property of the Provider. The Client receives a limited, non-transferable, non-sublicensable right to access the Service during the term of this Agreement. The Client shall not reverse-engineer, replicate, or disclose OMNIX's evaluation methodology.

10. CONFIDENTIALITY

Both parties agree to keep the terms of this Agreement and any proprietary information exchanged strictly confidential for the duration of this Agreement and for two (2) years thereafter.

11. PAYMENT

Fees are as agreed in the applicable Order Form. Overages are billed at the rate specified per plan. Invoices are due within 15 days of issuance. Failure to pay within the due date may result in immediate suspension of the Service.

12. TERM AND TERMINATION

This Agreement begins on the Effective Date. Advisory plans may be cancelled with 30 days written notice. Enterprise plans are subject to the annual contract term specified in the Order Form. OMNIX may suspend or terminate access immediately for non-payment or material breach.

13. GOVERNING LAW

This Agreement is governed by the laws of England and Wales. Any disputes shall be resolved by binding arbitration under the rules of the London Court of International Arbitration (LCIA).
